

APPENDIX TWO

SCHEDULE OF WORKING FILES

Main UBN Repository

<https://git.door43.org/Door43/en-ubn>

Repository for the UBN notes and associated resources (glossary entries and articles) that are ready for the public to use. However, this repository will also include:

1. The explanation of the UBN project
2. The volunteer job description
3. A link to this document

Working Repository

<https://git.door43.org/Door43/en-ubn-working>

Repository for the working files of the UBN. This contains:

1. The working notes created for each book
2. The working glossary entries as they are proposed and then written by the UBN team or others
3. The working articles as they are requested by the UBN team and then as they are written by UBC team.
4. The explanation of the UBN project
5. The volunteer job description
