APPENDIX TWO

SCHEDULE OF WORKING FILES

Main UBN Repository

https://git.door43.org/Door43/en-ubn

Repository for the UBN notes and associated resources (glossary entries and articles) that are ready for the public to use. However, this repository will also include:

- 1. The explanation of the UBN project
- 2. The volunteer job description
- 3. A link to this document

Working Repository

https://git.door43.org/Door43/en-ubn-working

Repository for the working files of the UBN. This contains:

- 1. The working notes created for each book
- 2. The working glossary entries as they are proposed and then written by the UBN team or others
- 3. The working articles as they are requested by the UBN team and then as they are written by UBC team.
- 4. The explanation of the UBN project
- 5. The volunteer job description
